# DeBevc Vineyards

## Wines

*Premium wines, 100% varietals, reflecting the best grapes provided by nature each vintage year.*

### *1983 Vintage Wines*

**Vignoles:** A rich, full white wine made from grapes harvested with a high concentration of dry raisin-line berries which intensified the sugars and fruity characters.

**Cabernet Sauvignon:** A complex red wine with time in French Limousin and Nevers oak barrels to develop many characteristics similar to the finest European wines.

### *1984 Vintage Wines*

**Seyval Blanc:** A well balanced wine with a soft, pleasant finish reflecting the complexity achieved from aging in small oak barrels.

**Villard Blanc:** A light white wine with a clean finish having just a hint of residual sugar. Cold fermentation and complexity achieved from aging a portion of the lot in oak barrels make for an interesting yet refreshing wine.

### *1985 Vintage Wines*

**Chardonnay:** A full bodied white in the European tradition. Slow, cold fermentation in jacketed tanks followed by oak aging, to provide complexity and interest.

**Vidal Blanc:** A white wine reflecting the natural residual sweetness of this very important grape variety, with a light fruity nose.

**Johannisberg Riesling:** A crisp, light and fruity Riesling aged exclusively in stainless with enough residual sugar to provide balance.

We offer case discounts and 'direct to door' UPS shipments anywhere in Ohio.

## *Vineyard Wines*

*Vinified to suit every palate.  
Consistency, quality and variety  
at moderate prices.*

### *White Wines*

**Debonné White:** An extra dry table wine, blended from French American grapes with a bouquet and aroma akin to the finest European varieties.

**Niagara:** A pleasing dry white of light texture, accented by a distinctive fruity bouquet with its heritage from one of the oldest American grape varieties.

**Vidal Blanc:** A light dry white table wine with a crisp flavor and bouquet made from a French American varietal.

**Delaware:** A still table wine from the native American variety most often used for champagne. It produces a golden white of unusual softness and full flavor.

**Erie Shores Chablis:** A light dry wine blended from French hybrid American varietals.

### *Rose Wines*

**Debonné Blush:** A light dry, fruity and refreshing blush with just a hint of residual sweetness.

**Pink Catawba:** A medium dry wine, aged in oak to bring out the distinctive flavor of the Catawba grape.

**Rosé:** A mildly sweet wine from selected French American varieties, blended each year to reflect that vintage's best potential.

### *Red Wines*

**Debonné Red:** A full bodied dry table wine pressed from selected French American varieties.

**Domovina:** A medium bodied dry red table wine with a fresh and fruity aroma. The name means 'homeland' in Slovenian and was chosen to reflect our family heritage.

**Concord:** A full bodied extra dry red wine which reflects an aroma only characteristic of the Concord grape.

**River Rouge:** A delightful blended wine, produced to a mild sweetness, reflecting the best qualities of the grape varieties from which it was developed.
