Warm Season's Greetings and the very best wishes for the New Millennium

HARVEST
After an almost ideal growing season, a bumper crop arrived at the end of September. Pinot Gris and Pinot Noir picked early and heavy Chardonnay needed more time for development. Culettas Burdette and crew carefully separated raisin berries from ripe ones. The late harvest Chardonnay sugars ran upwards of 35° brix while normal fruit was 22°. Riesling and Cabernet followed the same pattern. The botrytis fruit added to the quality, and missed the Cabernet bunches. The crop was huge because buds were fruitful and pruning should have been more severe. It will be fun watching the vintage develop. The picking crew rallied each time the weather or winery called for change in picking plans. Teamwork by all helped Aunt Culettas crew bring in all 65 tons on time.

MARKKO COMPANION PUPS
Two litters of four puppies will be six weeks old by Christmas - ready as friendly additions to your family. Those who are waiting for one need to call and choose their pups. They come highly recommended by owners.

NEW BOTTLINGS
Excelsior Champagne
Limited amounts of 1992 Excelsior have been released to meet celebration demand. As a new bottling in May '99 this Excelsior needs storage "En Tirage" to reach its peak before disgorging. '92 was an excellent year to make Champagne because cool weather delayed ripening with less sugar in the grapes. In a sense the ripening happens in the bottle. Markko pricing rations distribution based on the ascetic quality if disgorged in 2002. About three years are required for maturity of character and the 'mousse' - the tiny bubbles with the creamy mouth feel. This vintage is a blend of 50% Chardonnay and Pinot Noir and the Brut dosage leaves the sugar at 0.8% - almost natural - just right for the millennium New Year.

New Riesling Releases
The latest bottling lots cover four vintages of Riesling. These are almost or all dry reflecting the natural outcome from the cellar. The '96 and '95 have some residual sugar at about 1 to 2% with crisp fruitiness. The '97 and Covered Bridge lots have crisp fruit but are dry. The '98 lot bottled straight from one barrel carries round honey flavors with hints of tea and toast. Barrel fermented on settings gives an extra dimension to this limited trial bottling.

**REFLECTIONS OF LAKE ERIE**

The Vintage 96 bottling of Reflections shows a difference in style - lighter and leaner - a mirror of the grapes. With a long cool growing season that summer the wines have the mineral and earthy touch not found in 'west coast' or 'down-under' wines.

Each new bottling and vintage, step by step, builds on the Reflections of Lake Erie label used by so many wineries. Each one unique expressing the winemaker's choice as 'typical of the region' and 'best blend' of his cellar. Find the rainbow of colors and character as you taste each offering, many from pretty blue bottles.
