Dear Dr. Frank:

Commerce Commissioner John Dyson has told me of the pioneering work that you are doing with Vinifera grape vines and wines. All of us in New York are fortunate to have your scientific endeavors occurring in our State. I have had the pleasure of tasting your wines, and we serve them proudly in the Governor's Mansion.

Please accept my thanks for your efforts and my best wishes for your continued success in your very important research work. We stand ready to help you in any way that we can.

Sincerely,

Hugh L. Carey
Governor
