Dear Mr. Esterer:

Thank you very much for your inquiry and we are glad you have found and liked our wines.

For your own grape growing we recommend some of the hardy, dependable varieties which are the basis of our own vintage. For red or rose wine, either 13053 or 7053. And for white wine 5279 and S.V. 5276 which is a bit later. These mix very well by the way, and all our wine is a mixture as the hybrids seem to be well adapted to this procedure.

You can get Mr. Wagner's books from us. I suggest that if you want to order, please do it right away, as we go away for a month beginning July 6th. For this reason I am sending this letter by airmail.

Very truly yours,

Mrs. Philip M. Wagner
