If I could whisper something soft,  
I'd end it with a kiss.  
to belong with such a passion,  
is why the world exists.  
If I could tell you that I love you,  
with no complicated risks,  
I'd tell you every hour,  
with more than just my lips.  
If I could hold you till forever,  
without a second gone to waste.  
I'd hold you till my body dies  
and relish in your taste.

Sometimes it takes awhile  
To recognize a piece of mind  
And when you find it, you will see  
It was meant to be, meant to be  
Tonight

Last night, I dreamt of you  
Some things I cannot choose  
And when you find me indefinitely  
I’ll see you without me  
And I hope not to care

Bad times I’m walking through  
Bound to me I’m so confused  
Nonetheless, I won’t change  
It makes me who I am today  
And I’m not scared
