

we've found the true meaning of pinball  
without even looking

it's nothing to say to each other

sorry babe  
but i'm just too tired  
to keep this nonsense sensible  
can't quantify & rank emotions  
& fit them into neat numbered nooks  
as you can

as the saying goes  
the damage is done  
& patches aren't as strong as  
the original fabric

The sky a blackboard—  
galaxies, planets, chalk stars:  
a huge hand scribbles.
