MONTAGE APPEARS OCT. 15

MONTAGE, Kent State University Stark Campus’ bi-weekly newspaper, will appear on Wednesdays throughout the academic year. The newspaper is produced by KSU Stark Campus students for the campus community. All students are invited to submit articles for publication. Letters to the editor are invited! Tim Casper is editor for the Fall Quarter and MONTAGE editorial offices are located in FPAC, Rm 15. Last year’s MONTAGE, in news-magazine format, won a First Class rating in national competition. Today’s edition of MONTAGE is intended to welcome your return to the campus. The first complete MONTAGE will appear on Wednesday, Oct. 15.
